Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a project called the Low & No Emission Bus Replacement & Support Infrastructure in fiscal year 2023. The entity to receive funding for this project is the Kansas City Area Transportation Authority, located at 1200 E. 18th St, Kansas City, MO 64108. The funding would be used to incorporate battery electric buses into the bus network of RideKC, spanning the urban and suburban regions of Kansas City, MO and the Kansas side of the metro area. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, reading "Emanuel Cleaver, II".
